SCOUL (Uganda) chooses Ivalua Sourcing Solution & Consus Sourcing Services

With a strong brand identity and proposition of 'making lives sweeter', held up by high quality sugar, the people of Uganda voted SCOUL (Sugar Corporation of Uganda Limited) – Brand "Lugazi" Sugar as the 'Best Sugar' in Uganda, in the recently concluded nationwide poll: 'The Peoples' Verdict' has signed up with Consus in conjunction with Ivalua to efficiently manage its sourcing process.

"Consus as our consulting partners have helped us to use the platform provided by Ivalua effectively and get the intended cost benefits. We have been able to get best prices for items and services we source across our businesses. We look forward to many more benefits and wins together in future".

SCOUL has used Ivalua's sourcing solution and Consus Sourcing Services to:

- Reduce cost through e-sourcing
- Increase transparency of sourcing processes

About SCOUL

Sugar Corporation of Uganda Limited (SCOUL) was established in the year 1924. Since its inception, it has been playing a key role in the development of Ugandan economy. Besides being one of the largest employers in the country, it has always kept focus on the product quality, people and its resources.

SCOUL operates with plant capacity of 1,00,000 tons of Sugar per year, more than 35,000 acres of its own estate for cane plantation, 2,000km of roads, 7,000 employees, more than 6000 outgrowers. We also boast of 9.5MW electricity generation capacity. As a totally integrated Unit while growing its own cane to manufacture Sugar, it has its own distillery established in 2014 that converts Molasses (a bye product) into extra neutral industrial alcohol. In keeping with its zero waste and inline of environmental policy it harnesses Carbon-dioxide (CO₂) through its new CO₂ Plant inaugurated by H.E. Mr Yoweri Museveni, the President of Uganda, in 2015.
